### PhD SPLIT (SANDWICH) SCHOLARSHIP – ICT in EDUCATION

The VLIR-OUS ICT Project invites applications from Moi University members of staff for a PhD scholarship in the field of **ICT in Education** through the Directorate of Open and Distance Learning. The applicant should have knowledge in ICT and a base in Education. The scholarship is designed as a split programme where the successful candidate will be required to be in a University in Belgium for specific periods. The applicant must demonstrate willingness to contribute to the implementation of Open and Distance Learning programmes in the University during and after the study.

#### **1. Applications:**

- a) The scholarship targets members of staff.
- b) Applicants with a Masters degree from the following disciplines are encouraged to apply:- Education Communication Technology, Educational Curriculum, Information Sciences, Computer Engineering, and Computer Science, .

#### **2. Application process: Interested candidates should:**

- a) Submit a concept paper (not exceeding 10 typed double spaced pages) describing their research interest(s).
- b) Be endorsed by H.O.D and Dean (where applicable).
- c) Be available to start as from October 2010.
- d) Only short listed candidate(s) will be contacted.

The Scholarship will cover travel, tuition and residential costs while in Belgium.

**Send applications or inquiries (not later than 15<sup>th</sup> August 2010) to:**
